Joanna Lumley's Gurkha Justice Campaign

On Tuesday 30th September, the High Court ruled the treatment of ex-Gurkhas had been unlawful in terms of the right to live in the UK if they retired before 1997.

However, this isn't over. Following that High Court decision, the Government has to change the law. We demand the full, fundamental change in law that will allow all retired Gurkhas the right to live here.

I, the undersigned, call for the Government to act immediately to change the law to allow all retired Gurkhas the right to stay in the UK, without reservation.
